25X1A

25X1A

1. The number of personnel charged against ceiling as of 31 August was [REDACTED]

25X1A

25X1A

2. The Washington Office [REDACTED] was opened on 16 August with the following personnel: [REDACTED]

25X1A

[REDACTED] One contract had been signed by month's end.

25X1A

25X1A

3. [REDACTED] is on special assignment from 18 August to 6 September to accompany a delegation of [REDACTED] electronics experts to meetings of the Institute of Radio Engineers at San Francisco, and of the International Scientific Radio Union at Boulder, Colorado.

25X1A

25X1A

4. On 29 August [REDACTED] returned from a three-month trip to the Far East where he surveyed foreign document exploitation activities.

5. The Division reviewed a list of U. S. colleges with foreign-language departments to evaluate them as to potential sources for recruiting.

25X1A

6. Approval was sought for use of FDD employees in off-duty hours for [REDACTED] inasmuch as a number of employees are seeking outside employment. The Office of Personnel disapproved. The opinion of the Office of the General Counsel was that legally and administratively the plan was not feasible. This matter has been dropped.

7. The FDD Budget for FY 59 was completed on 27 August.

SECRET

STATSPEC

25X1A

25X1A

5. Several meetings were held with [redacted] and OO regarding RPB needs for information from publications vis-a-vis the question of augmentation [redacted] It was decided that FDD would handle RPB requests for information from periodicals and that [redacted] would concentrate on newspapers.

In conjunction with this, discussions were held with International Communism Division, DDP, regarding their need for information from party theoretical journals; these were found to parallel closely RPB's needs

6. By direction of the DD/I, covert material received by his office and formerly routed through OCR to FDD for abstracting, henceforth will be sent directly from the Office of the DD/I to FDD for exploitation. Material of no value will be destroyed.

7. The OCB reviewed on 16 August an ad hoc committee recommendation concerning the screening of captured German documents held by the Defense Department. It approved the procedure that the Defense Department would continue screening these documents in accordance with U. S. policy statements as to which documents may be returned and which will be retained permanently. It was agreed that CIA would not participate in the screening.

8. Duplicate subscriptions of numerous newspapers and periodicals have been placed to serve the needs of the field office operations. A study of economic methods for reproducing copies of such source material is being continued with the cooperation of Printing Services Division, OL, and Management Staff.
